

Smart neon

Full-color flexible neon with the ability to independently control each diode and the ability to create complex dynamic lighting effects. Made of 100% silicone with a flexible band inside.

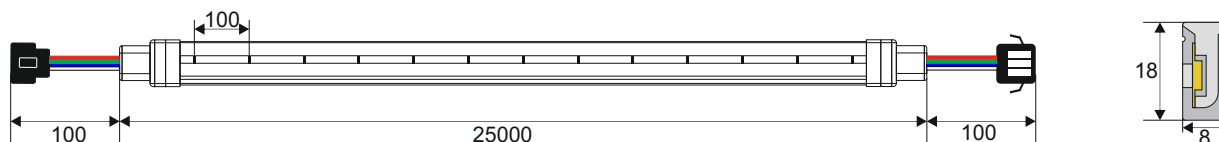

Installation:

- Decorative lighting
- Interior lighting
- Bright illumination of advertising signs

Features and benefits:

- Production of complex flexible light elements
- High light efficiency
- Easy and safe installation
- Uniform glow
- High level of protection Ip65
- 2-year warranty

Size

Packaging information

Packaging	In a reel	In a box
Number	25 m.	50 m.
Weight	5 kg	10 kg

Technical information

Available colors:	RGB
Power	14,4W/m
Light flux	700 lm
Crystal type	5050
Operating voltage	24V DC
Protection class	IP 67
Working temperature	-30 +50 °C
